Message from the Editor-in-Chief

Dear Colleagues,

TOJET welcomes you. This journal was initiated in October 2002 to share knowledge with researchers, innovators, practitioners and administrators of education. We are delighted that more than 650000 researchers, practitioners, administrators, educators, teachers, parents, and students from around the world had visited since October, 2001. It means that TOJET has diffused successfully new developments on educational technology around the world. We hope that the volume 19 issue 4 will also successfully accomplish our global educational technology goal.

I am always honored to be editor in chief of the TOJET. Many persons gave their valuable contributions for this issue. I would like to thank to the guest editor and editorial board of this issue.

TOJET thanks the editorial board of this issue.
